The Estate Planning Council of Nassau County, Inc. (the “Council”) is endeavoring to qualify the featured presentations at its monthly meetings for CPE/CLE/CE/PACE credits in order to offer its members the opportunity to obtain professional educational credits as an additional benefit for attending.

Please be advised, however, that:

1. Due to the specific qualification requirements for certain credits, each meeting may not qualify for every credit due to reasons beyond the control of the Council; and
2. A particular presentation’s qualification for such credits will be determined after the meeting by third party sponsors.

Accordingly, while the Council shall use its best efforts to attempt to qualify each presentation for the professional educational credits listed above, qualification cannot be guaranteed.

If seeking credit, please note:

- a. Late-comers and early-leavers will not qualify to receive CE credit for their discipline(s).
- b. In order to receive CE credit for your discipline(s), you must submit the evaluation sheet and affirmation form as evidence that you were present for the entire presentation. Be sure to print your name at the bottom of both forms.

c. Guests are not eligible to receive CE credit.

d. The speaker's outline will be available on the website two or more days before the meeting.

Farrell Fritz, PC- CLE provider number 0805

1 credit in the Areas of Professional Practices.

This course is intended for experienced attorneys only.

Learning Objective:

- Are your company's credentials and data being actively SOLD on the Dark Web?
- Is your company (and your reputation) at RISK of a cyber-attack and financial ruin?
- Is your clients' PRIVATE INFORMATION at RISK?

If a riot were to break out around you, would you leave the windows of your home open and your doors unlocked? You are most likely unwittingly doing this with your Computer Systems right now, leaving your company vulnerable and easy prey for hackers. Join Cyber Security Expert Michael Glasser to learn the 5 Critical & Crucial Security Layers you need to have in place now to protect your business and livelihood. By attending, you'll have the Exclusive Opportunity to find out if your private company data is exposed and in the hands of attackers on the Dark Web.
