

The Estate Planning Council of Nassau County, Inc.

The Estate Planning Council of Nassau County, Inc.
Is Proud to Present its Inaugural
Gary H. Friedenberg Service Award

To

Richard G. Chalifoux, J.D., AEP®

The Gary H. Friedenberg Service Award will be awarded annually in memory of our late beloved friend, long-time member, and past president of the Nassau County Estate Planning Council. It will recognize a member whose dedication and enthusiasm for our Council matches the spirit and friendship that Gary provided us for many years.

Therefore, it is fitting that the first recipient of the Gary H. Friedenberg Service Award should be Rick Chalifoux, past president, current president, long-time Board member, our liaison to NAEPC, and perhaps the one indispensable person to keeping our Council active, informative, and a repeat recipient of recognition from NAEPC, including this year's repeat designation as a Five Star Council. All of Rick's efforts on behalf of our Council and our members have been accomplished with unfailing good cheer, friendship, and patience. We thank him and honor him with this award.
